

First of all I, on behalf on my self and the Danish team, must say "KIITOS" to you and all your friends for giving us this adventure.

It was fantastic and we were very impressed over the "value for money". Everything was just so good, and we will never forget it.

I have made a short film, and placed it on youtube.

follow this link: <http://www.youtube.com/watch?v=ZZenhY5ZSA0>

or search for "RR4BB2009"

The music is of Sibelius (of course)
